THE GREAT REIMAGINING

MAKING WORK WORK FOR WOMEN

Support Catalyst Honours and demonstrate your commitment to advancing women in workplaces globally. Your contribution not only showcases your commitment to building inclusive workplaces but also helps propel Catalyst's progress for the next 60 years.

Catalyst Honours recognizes exceptional role models accelerating progress for women in the workplace. Launched in Canada in 2010, Catalyst Honours has recognized more than 65 outstanding individuals representing the gold standard for inclusive leadership.

Catalyst will recognize its new **Champions at 2022 Catalyst Honours**, a hybrid event on November 9 with an in-person Conference and Dinner at the **Fairmont Royal York Hotel in Toronto**. Hundreds are expected to attend, including executives from top global corporations, professional firms, governments, NGOs, and educational institutions.

We are celebrating **Catalyst's sixtieth anniversary** in 2022 as the year of **The Great Reimagining: Equity for Women, Equity for All**, building upon the momentum Catalyst founder Felice N. Schwartz created 60 years ago. Together with you, we are shaping a Great Reimagining that works for women—and for us all.
